

BRENDA BOURN

FOR US SENATE

CONSERVATIVE NATIVE AMERICAN FREEDOM DEFENDER

Why Choose Brenda Bourn for US Senate

20+ years of Healthcare experience – lead patients to improve health and worked in collaboration with providers

Committed to Idaho – Native Idahoan and enrolled in Nez Perce Tribe

Restore Medical Freedom

- Fight to ensure patients and doctors are free to collaborate for individual treatment care
- Committed to do what's right for each patient free from outside influence

Empower Education Freedom

- Support parents' rights for tax dollars to their children's education through education voucher system
- Ensure schools teach basic disciplines
- Fight for parents to remove areas of sex, gender, and complex issues out of the classroom

Protect Our Borders

- Review legislation that protects our borders and stand to protect innocent women and children from human trafficking and illegal drugs entering into our Nation
